

BioVectra Inc. is a leading bio-science business, focused on contract manufacturing and product development of active pharmaceutical ingredients, pharmaceutical intermediates, and bioreagents.

BioVectra Inc. has an immediate opening for an **Occupational Health and Safety Specialist**. This is a full-time position located in **Charlottetown, Prince Edward Island**.

The candidate will be responsible for:

- Developing, implementing, and maintaining written health and safety programs, policies, and procedures.
- Conducting qualitative and quantitative chemical, biological, physical, and ergonomic exposure assessments.
- Ensuring compliance with company policies and government regulations.
- Utilizing statistical tools to analyze data, document and communicate results.
- Leading or participating on project or process improvement teams.
- Partnering with stakeholders to define and employ appropriate health and hygiene controls.
- Serving as the point of contact for industrial hygiene issues during regulatory and company audits.
- Administering the respiratory protection program and performing respirator fit testing.
- Administering the hearing conservation program and monitoring noise levels in applicable areas.
- Leading or participating on the preparation of safety data sheets for products.
- Acting as the lead administrator for company's medical surveillance program

The successful candidate for this position would have:

- Degree or Diploma in Occupational Hygiene, or other relevant science degree/diploma
- Registered Occupational Hygienist (ROH from CRBOH) or Certified Industrial Hygienist (CIH from ABIH) designation is preferred but candidates who are working towards their designation will also be considered.
- Previous industrial hygiene and plant experience.
- Ability to work independently with minimal supervision.
- Ability to handle a variety of tasks simultaneously and must be able to prioritize work to meet deadlines.
- Strong written and oral communications skills.

BioVectra offers a competitive salary and benefit package. Interested candidates are asked to apply by choosing the "Apply Now" button.
